

## THERE ARE 7 STEPS TO MOVING IN: INDIVIDUAL TENANCIES

### STEP 01: HOLDING DEPOSIT

To reserve a room, a Holding Deposit of £120 needs to be paid. This will be used as part of your first month's rental payment. Once paid the room is taken off the market and reserved for you.

We do not charge fees.

The Holding Deposit can be paid by UK bank transfer or overseas transfer (bank details are provided on the final page), or in exceptional cases in cash. Please ensure that you account for any commission/charges incurred for the transfer as this is not payable by Mckinley Residential. Unfortunately, we cannot accept payments over the phone.

We may retain your holding deposit if:

- You or your guarantor provide us with information before or during your application which we can reasonably consider to be mis-leading when deciding to let a property (this includes failing reference checks due to providing false or misleading information)
- You fail a Right to Rent check
- You change your mind before your contract is signed
- You fail to take all reasonable steps to enter into a tenancy agreement by the deadline we agree with you, whilst us and your landlord take all reasonable steps to do so

If your deposit needs to be retained, we will notify you in writing.

Once you have confirmed your intention to rent the chosen room in the property from us, you will be sent an invoice for this deposit – 'Holding Deposit Invoice'. Once payment has been received, we will send you a 'Holding Deposit Form' to sign electronically - confirming the payment.

## STEP 02: SUBMIT CONTACT DETAILS AND GUARANTOR INFORMATION

A 'New Tenant Information Form' will be sent to you to confirm your contact details and that of your guarantor. This information will be used for the Tenancy Agreement. For UK based guarantors this information will also be used to initiate the reference check. Non-UK based guarantors will not be reference checked however they will be a named guarantor on the Tenancy Agreement.

As is standard with all rented accommodation, Landlords need to know that you can pay the rent each month. With students, this is difficult to show, therefore Landlords require tenants to provide a guarantor to guarantee that the rent will be paid.

**All UK tenants** are required to provide a UK resident guarantor that will undergo a reference check.

**All non-UK tenants** are also required to provide a guarantor that can be named on the Tenancy Agreement, however non-UK based guarantors will not be reference checked.

In addition, you will be required to pay 3 months' rent in advance as a rent guarantee, unless a UK resident guarantor can be provided, who will undergo a reference check. The 3 months' rent is used to cover the last three full months of your tenancy, providing assurance to your landlord that you will honour the full term of your Tenancy Agreement.

The first month's rent for the tenancy is also required in advance and this is required for **all tenants**.

## STEP 03: UK GUARANTOR TO COMPLETE REFERENCE CHECK

Your UK guarantor will receive an email from 'Right Move' referencing agency requesting they complete an online form.

Once initiated we recommend that this be completed as soon as possible as references can take more than 14 days to be processed. If this is not completed as soon as possible it may impact the rest of the stages of the process. Please be aware that if your guarantor does not submit all the information requested, then can also delay the process.

If your guarantor has any queries regarding their application, we kindly ask that they contact Right Move directly on 0191 2560920.

Should your guarantor fail the reference check, they would still be required to be named as a guarantor on your Tenancy Agreement. You will also be required to pay 3 months' rent in advance (in addition to the first month's rent) The additional 3-months' rent is used as a rent guarantee and will cover the last 3 full months of your tenancy.

## STEP 04: SETTLE FINAL INVOICE

A final invoice will be sent to you, this will provide a breakdown of the upfront costs required prior to you moving into the property.

This includes:

- First months' rent in advance (minus the one week already paid as a Holding Deposit to secure the property)
- Five weeks' rent as a security deposit (this will be registered with The Deposit Protection Service)
- Three months' rent guarantee (applicable only to students who are unable to provide a UK resident guarantor – e.g. International Students, or those whose guarantor fails)

We ask that this invoice is paid no later than the payment deadline indicated on the invoice. **Please use your property name and room number as a payment reference** i.e. for 2 Langley Meadows Room 1, use 2LANG R1.

We have a waiting list and unfortunately if all funds and documentation are not received in time, the room may be released to another person, so please act as quickly as possible.

## STEP 05: SIGN TENANCY AGREEMENT

Upon successful completion of the other stages, a Tenancy Agreement will be sent to both yourself and your guarantor to sign electronically. The Tenancy Agreement will state the official start date of your tenancy.

Please be aware that you will not be permitted to move into a property until we have checked your ID/Visa, as all tenants are subject to a 'Right to Rent' check before we hand over keys and move you in. More information is provided in Step 6.

## STEP 06: 'RIGHT TO RENT CHECK' TO BE CARRIED OUT

We are required to check your 'Right to Rent' documentation, as proof you have the 'Right to Rent' in the UK – this applies to all tenants regardless of nationality.

If you have a **'time limited'** right to rent in the UK (for international students) this can be done no sooner than 28 days before the start of your tenancy.

If you have an **'unlimited right to rent'** in the UK then we can check your documentation at any time before the start of your tenancy.

## STEP 07: MOVE INTO THE PROPERTY

We are unable to give keys to you until the following has been completed:

1. The Reference Check of the UK guarantor has been completed (if applicable)
2. The Final Invoice has been paid and all funds have cleared our account
3. The Tenancy Agreement has been signed by yourself and your guarantor
4. The 'Right to Rent' ID check has been carried out

Once all the above stages have been completed by yourself and your guarantor, we will be able to move you into the property.

In advance of you moving in, we will provide you with an official 'start date' of your tenancy. Please note that the start date is set for you and this date is not flexible – you will therefore be liable for the rent as of this date, regardless of what date you wish to move into the property.

**We ask that all tenants liaise with us in advance of booking travel arrangements such as flights etc, so that we can confirm whether we will be able to move you into the property on your chosen date.**

Please note that we will only be able to move you into your property during office hours. If you are arriving at night, you will be required to seek alternative accommodation for the evening.

When we move you into the property, we will provide you with an Inventory of the property – via adobe sign this document details the condition of the property when it is handed over to you, this will need to be signed and returned to us.
